C++ // MATLAB // HTML  
CSS // JavaScript & jQuery  
Git // Microsoft Office

## EDUCATION

**Ohio State University**

*Bachelor of Science and  
Engineering in Computer Science*  
August 2019 - May 2023  
GPA: 3.551 / 4.0

### Relevant Coursework:

- Software Components, Development, and Design
- Fundamentals of Engineering
- Multivariable Calculus
- Linear Algebra
- Mathematical Foundations of Computer Science
- Probability and Statistics for Engineers

## PROJECTS

### SOUND SELECTIONS

*Flutter, Dart / July 2020*

- designed an app for discovering my recent music finds in a visually aesthetic UI

### PERSONAL PORTFOLIO

*HTML, CSS, jQuery / April 2020*

- created a website portfolio from scratch with a focus on UI design and responsiveness

### DEWIT APP

*Flutter, Dart / Summer 2020*

- served as front-end developer building a productivity app featuring professional UI and fully-functioning checklists with time-tracking capability

### COMPUTER SCIENCE WEBSITE

*HTML, CSS, JavaScript / Summer 2018*

- designed and developed my first website as a coding capstone in high school
- discusses computer science and can be used for learning more about the discipline

### WECYCLE WEB LANDING

*HTML, CSS, JavaScript / January 2020 - March 2020*

- designed a landing page for a sustainability app with a sharp focus on SVG image creation, animation, and placement

## WORK HISTORY

### COURTESY CLERK

*Kroger Co.*

*May 2016 - July 2017*

- bagged groceries, took in carts, cleaned floors, and stocked miscellaneous products
- provided me with confidence and understanding in dealing with customers

### TUTOR COMPANY EMPLOYEE

*Kumon of New Albany*

*October 2016 - present*

- assisted students with their daily academic work, increasing both their reading and math test scores
- proficient in the software used to enter student data

### RESTAURANT EMPLOYEE

*Eagles Pizza*

*July 2017 - December 2019*

- customer service experience: waited tables, worked the cash register, answered phones
- prepared food: rolled dough, added toppings, cooked and baked other foods
